

# Justyna Janik Jj, Run After Me

Smile clear as a sky  
Free & Uncluttered mind  
Smooth, Tender Skin  
The Glaring sun is shining  
You are the sunshine  
Who's bringing me this kind of smile  
You are this one guy  
I was looking for

I know that happiness between us  
Can last but we need just more trust  
Our different worlds can be as a one  
So make a promise  
That you will  
Run, run, run After Me  
and I will  
Run, run, run After you

I found the man of my life  
I hope that god gives us chance to survive  
I found the man of my life  
I found the man of my life  
I will always love you  
Remember, if you will  
Run, run, run After Me  
and I will  
Run, run, run After you
