

# Justyna Steczkowska, WITCH-ER Tarohoro

Oh, mother nature  
How you're rotting to the very core  
A Body so ancient  
You can see the writings on the wall

(Oooh, Jagadagadej) Don't fear the witcher  
(Oooh, Jagadagadej) If you're a believer

Roads of faith  
They will lead the way  
To the open gates of love  
Whispers say  
We gon' make a change  
Would you just believe in them  
(say)

(Jarga drago wese trado istra wejar valve ladodeja)  
Jarga drago wese trado istra wejar valve ladodeja

Oh, mother nature  
Like a phoenix you will be reborn  
Pure over tainted  
It's the renaissance you can't avoid

(Oooh, Jagadagadej) Don't fear the witcher  
(Oooh, Jagadagadej) If you're a believer

Roads of faith  
They will lead the way  
To the open gates of love  
Whispers say  
We gon' make a change  
Would you just believe in them  
(say)

Roads of faith  
They will lead the way  
To the open gates of love  
Whispers say  
We gon' make a change  
Would you just believe in them  
(say)

Aaa.... (Jarga drago wese trado istra wejar valve ladodeja)  
Aaa.... (Jarga drago wese trado istra wejar)

Valve ladodeja

Jarga drago wese trado istra wejar valve ladodeja  
Jarga drago wese trado istra wejar valve ladodeja

Aaa.

WITCH-ER Tarohoro to nowa piosenka Justyny Steczkowskiej. Utwór weźmie udział w polskich pr
