

JVKE, Never Get Used To This - feat. Forrest Frank

(Oh) Mm, yeah, haha, ay!

(Oh)

I was stuck inside that grave a long time (Long time)
Didn't think I'd make it through those long nights (Long nights)
But You never late, You're always on time
Remember when You got me out that? (Oh)
You got me out that

And now I see Your blessings, see Your blessings every day
Thankful that Your kingdom's on the way
Angels all around me, hear them sing like "Oh"

I'll never get used to this (Oh)
I'll never get used to this (Oh)
This is how I want to live (Oh)
Forever we'll be singing like, "Oh" (Oh)

Walk up out the grave, yeah, I'm alive now
Told the devil, "Boy you out of time now" (Whoa)
The spirit won't leave me on my fire now
I know it won't ever die out, won't ever die out

And now I see Your blessings, see Your blessings every day
Thankful that Your kingdom's on the way
Angels all around me, hear them sing like "Oh"

I'll never get used to this (Oh)
I'll never get used to this (Oh)
This is how I want to live (Oh)
Forever we'll be singing like, "Oh" (Oh)
I'll never get used to this

(Hey, hey, hey, hey, hey) Mm, yeah
From the mornin' to the evenin'
I could sing Your praise all day
From the prison to the garden
You're the God who's breakin' chains
When I look back (When I look back) on my whole life (On my whole life)
There's a silver lining on graves
I can't wait to thank You, Jesus, oh

I'll never get used to this (Oh)
I'll never get used to this (Oh)
This is how I want to live (Oh)
Forever we'll be singing like, "Oh" "(Oh)

I'll never get used to this, hey, hey (Oh)
I'll never get used to this, I'll never get used to this (Oh)
This is how I wanna live, this is how I wanna live (Oh)
Forever we'll be singing like, "Oh", hey, hey (Oh)
I'll never get used to this
