

JVLA, such a whore

You such a whore, ooh
I need her, when she on me I don't feel so lonely
Don't leave me horny, ride me like a pony
Her sweat, her moaning, she's just such a fucking whore
I love it
I just fuck her on her side
And she bitch for me on life
For her pussy I would die
Every second we on fire
Room in private
We used the item
The 69, she's just such a fuckin'...
You such a fucking whore
I know you like it more
I'll fuck her when I'm bored
Like I need, she's a whore
I love it
The 69, she's just such a fuckin'...
