

# jxdn, So What!

These thoughts in my head take control  
But when I'm down I beg for more  
Yeah, I beg for more  
And I've been thinking 'bout you all night  
I don't wanna fight  
All these other random girls wanna kill my vibe  
Yeah, What a waste of time

So what I'm broken  
And my heart is frozen  
All my words are choking  
I'm so over life  
So what I'm broken  
Knew this love was poison  
All these wounds are open  
I'm so down tonight  
I'm so down tonight

Exhausted, it's toxic  
You took a line and crossed it  
Don't miss me, you're busy  
It sucks that you're so pretty  
Walk out my door and you're driving away  
PTSD leaving me in my grave  
I'm not okay

So what I'm broken  
And my heart is frozen  
All my words are choking  
I'm so over life  
So what I'm broken  
Knew this love was poison  
All these wounds are open  
I'm so down tonight  
I'm so down tonight

She said it's all my fault  
It's all mine  
She said it's all my fault  
It's all my  
She said it's all my fault  
It's all mine  
She said it's all my fault  
It's all my

So what I'm broken  
And my heart is frozen  
All my words are choking  
I'm so over life  
So what I'm broken  
Knew this love was poison  
All these wounds are open  
I'm so down tonight  
I'm so down tonight
