Ah, ah, ah

Ah, ah, ah

I know you found the receipts from last night I know you felt the feeling I can't fight

I know you saw that secret I can't hide

Oh

You left me there cuz you felt like you could trust me I never cared cuz I felt like it was nothing Yo

And I keep asking myself this

What did I do to make you mad?

Baby, what did I do?

It's not like that

I'm only being myself

And it's just letting you down

What the hell did I do now?

Ah, ah, ah

Ah, ah, ah

I'm always sleeping when I don't wanna hear your lies You're always running when you feel like we

No I don't, no I don't

You left me there cuz you felt like you could trust me I never cared cuz I felt like it was nothing

You know I thought that I failed ya

And I keep asking myself this

What did I do to make you mad?

Baby, what did I do?

It's not like that

I'm only being myself

And it's just letting you down

What the hell did I do now?

Ah, ah, ah

Ah, ah, ah

You left me there cuz you felt like you could trust me I never cared cuz I felt like it was nothing

You know I thought that I failed ya

And I keep asking myself this

What did I do to make you mad?
