

# JYONGRI, Lost Girl

I've forgotten how to smile  
shiranu ma ni 3(san)nen tatteta ne  
kono sekai iro ga aru koto sura  
kidzukanaku natteru jibun ga iru yo  
me wo tojita hou ga yoku mieru ki ga shite  
tomodachi wa mina shiawase mitsukete iru  
yuku ate mo naku samayou nichijou  
Street lights lead me here and there  
Ohoh, muishiki ni  
tsuyoi joyuu wo  
enjite iru no ga  
hidoku kanashikute  
aa aa, nakasete yo I can't do it  
Please please, watashi wo tasukete hoshii  
I lost myself when I lost you  
yomichi ni mayoikonda to mo shirazu ni  
So scared, where do I go from here?  
deguchi mo iriguchi mo ushinaisou  
I lost myself when I lost you  
karada mo kokoro mo furuete iru no  
I fear the start of tomorrow  
onegai, kuzureru watashi wo dakishimete  
1(ichi)nichi de yuitsu no mono  
tanoshimi wa ongaku ni nagusamerareru koto  
natsukashii MERODI- yomigaeru  
Memories lead me here and there  
Uhhuh, ganbatta yo  
mirai wo ikiyou to  
demo kidzuite shimatta  
kako ga itoshii yo  
aa aa, modoshite yo I can't take it  
Please please, watashi wo toraete hoshii  
-Lost girl, that's me. Frightened, lonely.-  
I lost myself when I lost you  
kodoku no kurushimi nante shirazu ni  
So scared, where do I go from here?  
ikinokoreru jishin wa doko ni mo nai  
I lost myself when I lost you  
toki ga kaiketsu dekinai koto mo aru no ne  
I crave the days called yesterday  
onegai, yanderu kokoro wo yasuragete  
I lost myself when I lost you  
yomichi ni mayoikonda to mo shirazu ni  
So scared, where do I go from here?  
deguchi mo iriguchi mo ushinaisou  
I lost myself when I lost you  
karada mo kokoro mo furuete iru no  
I fear the start of tomorrow  
onegai, kuzureru watashi wo dakishimete
