K-Ci & JoJo, Hello Darlin'

Wish that I could have you in my space Wish that I could kiss and caress your face How is it that I love you and I don't even know U Did you plant a seed inside of me, when you said hello Hello darlin, hello sweetheart She said I'm lost and I don't know my way around Hello darlin, hello sweetheart Can U please show me which way to go She said please show me which way to go If I changed my look would I have a chance Or is that I'm used to only one night stands My idea of romance was nothing more than a kiss in the wind Never could understand anything about love Till she said hello Hello darlin, hello sweetheart She said I'm lost and I don't know my way around Hello darlin, hello sweetheart Can U please show me which way to go She said please show me which to go Notice me right before your eyes Wanting you hidden love by surprise Left undone and I can't give up until were one
