

k.d. lang, Curious Soul Astray

(K.D. Lang/Ben Mink)

As a child my dreams ran wild
Through fields of disobey
Wandering, wandering, wanting it all
A curious soul astray

As a child my heart ran wild
Through fields of disobey
Loving and laughing and longing to fall
A curious soul astray

I ran with a passionate story
I ran for the wisdom and glory
Away, away I ran

As a child my dreams ran wild
Through fields of disobey
Wandering, wandering, wanting it all
A curious soul astray
