

# k.d. lang, Curious Soul Astray

(K.D. Lang/Ben Mink)

As a child my dreams ran wild  
Through fields of disobey  
Wandering, wandering, wanting it all  
A curious soul astray

As a child my heart ran wild  
Through fields of disobey  
Loving and laughing and longing to fall  
A curious soul astray

I ran with a passionate story  
I ran for the wisdom and glory  
Away, away I ran

As a child my dreams ran wild  
Through fields of disobey  
Wandering, wandering, wanting it all  
A curious soul astray
