k.d. lang, High Time For A Detour

(K.D. Lang/Ben Mink)

Hey yo, told you before Tell you when I find a decoy Sittin' in the water With your hopes up hgh Have you takin' a nosedive hard, boy

Hey yo, told you so They'll be aimin' at you

You know I told you so
But I didn't say it wouldn't get boring
From the...to the...
To the buckaroos
Hopin' that you'll choose the real thing
Dance on, don't you know
We got somethin' to do

Hey yo, anywhere it goes It's high time for a detour Deep, deep water pull you down Time to get your feet on the ground

Hey yo, anywhere it goes It's high time for a detour Hey yo, anywhere it goes It's high time for a detour

Hey, hey yo Hey, hey, hey yo Hey yo
