

# k.d. lang, I Want It All

All of your body  
All of your mind  
All your affection  
All of the time

All of the comfort  
All of the ache  
All of the giving  
All of the take

Every ounce of you  
And your love  
Ah, is all I need  
Strong or tender  
Oh, surrender  
I am on my knees

All the illusion  
All of the truth  
All the confusion  
All of the proof

All of the pleasures  
All of the pain  
All I am losing  
All that I gain

I want it all  
I want it all  
I'll take whatever you can give me  
But I want it all
