

k.d. lang, In Perfect Dreams

(K.D. Lang/Ben Mink)

In perfect dreams love has no extremes
All the world can be endlessly in perfect dreams
In perfect dreams you can fly it seems
Sailing nakedly, wavelessly in perfect dreams

Dream, have a rendezvous
A flame or two
Dream, and I promise you
It all rigns true

In perfect dreams life is quite serene
You and I can be happily in perfect dreams

In perfect dreams love has no extremes
All the world can be endlessly in perfect dreams
Dreams
