k.d. lang, In Perfect Dreams

(K.D. Lang/Ben Mink)

In perfect dreams love has no extremes All the world can be endlessly in perfect dreams In perfect dreams you can fly it seems Sailing nakedly, wavelessly in perfect dreams

Dream, have a rendezvous A flame or two Dream, and I promise you It all rigns true

In perfect dreams life is quite serene You and I can be happily in perfect dreams

In perfect dreams love has no extremes All the world can be endlessly in perfect dreams Dreams
