

k.d. lang, Love's Great Ocean

(Mink/Lang)

Love's great ocean
Came crashing down on me
Overflowing with
Possibility on me

Pull me under
Eternal wave
Pull me under
I promise i'll behave

Love's great ocean
Come sweeping over me
With this notion of
Positivity on me

Here in the ocean
The ocean of deep blue dreams
I'm dreaming of you
Here is the ocean
The ocean i'm longing to be
