(K.D. Lang/Ben Mink)

Just a kiss just a kiss  
I have lived just for this  
I can't explain why I've become  
Miss Chatelaine

Just a smile just a smile  
Hold me captive just a while  
I can't explain why I've become  
Miss Chatelaine

Every time your eyes meet mine  
Clouds of qualm  
Burst into sunshine

Just a sigh just a sigh  
Words my love just reply  
I can't explain why I've become  
Miss Chatelaine  
Miss Chatelaine

Zing!!

Just a smile just a smile  
Hold me captive just a while  
I can't explain why I've become  
Miss Chatelaine

Every time your eyes meet mine  
Clouds of qualm  
Burst into sunshine

Just a kiss just a kiss  
I have lived just for this  
I can't explain why I've become  
Miss Chatelaine
