

k.d. lang, Sugar Moon

(Bob Wills/Cindy Walker)

When it's sugarcane time
And around about June
I'll be walkin' with my sugar
'Neath that old sugar moon

All the lovin' I missed
I'll be gettin' it soon
I'll be gettin' it from my sugar
'Neath that old sugar moon

I can see us right now
Get the calendar down
(And) Draw a circle around
The day we're heaven bound
When it's sugarcane time
And around about June
All the birds will be singin'
'Neath that old sugar moon

I can see us right now
Get the calendar down
(And) Draw a circle around
The day we're heaven bound
When it's sugarcane time
And around about June
All the birds will be singin'
'Neath that old sugar moon

When it's sugarcane time
And around about June
I'll be walkin' with my sugar
'Neath that old sugar moon
