

k.d. lang, Tears Of Love's Recall

(K.D. Lang/Ben Mink)

Love

Thing of might and dread
Stays the saviour and poison to all
Of heart and head

Love

Force of death and birth
Still lies naked when next to the truth
So spins the earth

The tears of love's recall

Like blood to chocolate fall

(And) love

The common salt of thirst

Runs like water and cuts through the lives

Of blessed and cursed

The tears of love's recall

Like blood to chocolate fall

The tears of love's recall

Like blood to chocolate fall
