

k.d. lang, Western Stars

(C. Isaak)

Western stars light up the sky
Hear the desert wind roll by
Tonight, tonight

Western stars can break your heart
They keep shinin' when we're apart
Tonight, tonight

I watch, I wait
How long will my heart ache
Tonight, oh tonight
I watch, I wait
My heart is bound to break
Tonight

Western stars light up the sky
Tonight I'm alone to cry
Tonight

I watch, I wait
My heart is bound to break
Tonight

Western stars light up the sky
Hear the desert wind roll by
Tonight, tonight

Tonight, tonight
