k.d. lang, Western Stars

(C. Isaak)

Western stars light up the sky Hear the desert wind roll by Tonight, tonight

Western stars can break your heart They keep shinin' when we're apart Tonight, tonight

I watch, I wait How long will my heart ache Tonight, oh tonight I watch, I wait My heart is bound to break Tonight

Western stars light up the sky Tonight I'm alone to cry Tonight

I watch, I wait My heart is bound to break Tonight

Western stars light up the sky Hear the desert wind roll by Tonight, tonight

Tonight, tonight
