

# K-Maró, Change the game

So come and blow, ooooo  
so come and go,oooo  
but now we takin over you allready know  
it ain't a thing  
we aim in face  
we make a name  
and change the game  
Watch me changing, watch me flippin' back  
watch me playing "bitch, what you lookin at?"  
Looking from the sideline its easy  
I see you desting off, I keep going believe me  
master plan is on, marketing is me  
Im ready, Im heads on, please your best, trust me  
I got a whole lot off weight on my back  
you spit a while I didn't feel so good, and thats a fact!!  
Put it on me I, I lift it up  
you f\*\*ked up I, I can make it up  
I've done, done it, I can do it again  
Just thinking as a "no name", build it as a "brend"  
turn it all international, dollars and euros  
the plan of a buisnessman,  
&"who wanna be heroes" ?  
Hip-hop is dead motherf\*\*ker??  
I don't think so  
I think we're all set now  
U ready?? Lets go  
So come and blow, ooooo  
so come and go,oooo  
but now we takin over you allready know  
it ain't a thing  
we aim in face  
we make a name  
and change the game  
Thats on my competitional "vaminos"  
they lined up, i had to treat them like "domios"  
Its the honnor role, little def before they sign a flow dope like a line a blow, baby im "fenomen"  
I open doors, gave them all the sign of hope,  
rainbow to the bloody "go"!!  
not an opstical, can't make this impossible  
did't stop till I got to the top  
now Im all alone  
how to get this way,  
they lived a bad taste of my mouth, I got to spit way, they tried to take my "turkey" of my  
it don't go, like jealousy mixed with hate,  
I just let the shit by pass, long enough so they can get to kiss my ass  
So come and blow, ooooo  
so come and go,oooo  
but now we takin over you allready know  
it ain't a thing  
we aim in face  
we make a name  
and change the game  
Its so easy to say "we can't compete"  
so easy to flip, even easier to freeze  
go ahead, and meet truth behind you,  
let me see how many disses I will hear about you,  
see? this game has a \*\*\*\*\*,  
so lined it motherf\*\*ker get back to high school,  
Its out soon and we must defend,  
defeat is not an option,  
do you understand this???  
lets role, we should keep ourselve fly  
keep ourselves busy to wather runs dry  
its the game, its the hustle

that keep ourselve high  
keep ourselve clean for the day you passed by,  
been around the world?,  
we bring the world back to you  
spread around the word  
its coming right at you  
coming right at you  
just like a &quot;wind of cnahge&quot;  
got K, Belly and Rad  
its about to change the game  
So come and blow, ooooo  
so come and go,oooo  
but now we takin over you allready know  
it ain't a thing  
we aim in face  
we make a name  
and change the game  
it ain't a thing  
we're about to changin the game
