Tell me what you thinkin when you takin' of

I'm gonna let you go, I just wanna let you know

I'm missin' you, I'm missin' you!!!

Sittin' him, reminiscene our sexy exhibition

no need for explanations

"just call me if you need me"

I left you with those words

got caught in my own cage

you rocked my own world

baby it felt so good when you licked me to wake me up, askin' me if the "see me again"

you have to set me up?

you're gangsta girl, you know that???

you caught my mind, I know that!!!

I'll see you when I see you

for sure is, Im comin' back

Tell me how you feelin' when you thinkin of...

Tell me what you thinkin when you takin' of

I'm gonna let you go, I just wanna let you know

I'm missin' you, I'm missin' you!!!

Sometimes its get so easy thinkin' about you girl

sometimes its drives me crazy,

I should keep my focus girl

my mind is on my money,

my money is on my mind

and nothin' in this crazy ass world should keep me of my grind

baby there's something so f**kin' special about you, somethin' so sick that I can't take my hands of

no need to wonder why, I need you to tell me now

"should we ride, should we grow, all you're mine, shall we go"??

Tell me how you feelin' when you thinkin of...

Tell me what you thinkin when you takin' of...

I'm gonna let you go, I just wanna let you know

I'm missin' you, I'm missin' you!!!
