Sugata

Kageru tsuki no sakin to kiete kizunde...

I drowned and died to the lake. you are like your sadness

Is greater than anything and cast skin.

My soul is not in sight of you. i drift. i am transparent.

I still love you. but i am sleeping in the bottom of the lake.

Aa dokomade yukeba ii? ushinatta kioku

Boku no subete wa soko ni aru

Mai ochiru mizu no hate anata no karada dakishimerarezu

Gin'iro no ato o nazoru youni

Sinks deeply...

Drifts and is deep...

To deeper place...
