

# K-Otic, Call For Me

what do you do when you're down  
when nobody else is around  
who's gonna love you forever  
who's going down for me and you  
don't know what to do  
feeling like a fool  
playing by the rules  
but every day  
the world gets stranger to you now  
but some things never change  
you can always  
call for me  
where ever you are  
oh baby you can  
call for me  
no matter how far  
its crazy  
but some say  
that love fades away  
but you know  
where Ill be  
call for me  
so many lies you can say  
something will give you away  
cause nothing lasts forever  
except for maybe me and you  
tell it like it is  
pain and happiness  
and I'll be there to share it  
like no one ever did  
the world seems stranger to you now  
but some things never change  
you can always  
call for me  
where ever you are  
oh baby you can  
call for me  
no matter how far  
its crazy  
but some say  
that love fades away  
but you know  
where Ill be  
call for me  
oh I'll be there  
when you need someone to talk to  
anyone wont do then  
I will be there  
When you want someone to long to  
Ill be there  
I'm the one to hold you  
you don't have to worry about a thing  
baby  
you can always  
call for me  
where ever you are  
oh baby you can  
call for me  
no matter how far  
its crazy  
but some say  
that love fades away  
but you know  
where Ill be

call for me
