K's Choice, Hallelujah

Hallelujah
I heard there was a secret chord
that David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:
The fourth, the fifth, the minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah

Well your faith was strong but you needed proof You saw her bathing on the roof Her beauty and the moonlight overthrew ya And she tied you to her kitchen chair She broke your throne and she cut your hair And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah

Well, maybe I've been here before I've seen this room and I've walked this floor I used to live with alone before I knew ya And he's seen your flag on the marble arch But love is not a victory march Says it's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah

There was a time when you let me know What's really going on below But now you never show that to me do ya Well remember when I moved in you And the holy dove was moving too And every breath you drew was Hallelujah

Hallelujah, Hallelujah, Hallelujah

Well maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
Well it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah Hallelujah, Hallelujah, Hallelujah, Halle... It's not what you're told It's not her face It's not his touch In the room you both share When he's gone when he left When your time and your memory fills your dreams When you're honest and together Together no more No more Hallelujah, until you're nothing Hallelujah, baby, until she's everywhere Hallelujah, until together you are somewhere I'd lost Hallelujah, Hallelujah.
