

K's Choice, I fall sleep

Asleep, asleep, I fall asleep
I'm never waking up
I wish I could accept me
But I think I'm giving up
There's so much love and beauty
Yet to come, I am aware
But what about the other things
I can no longer bear
Asleep, asleep, I fall asleep
I'm never waking up
Please, just let me be at peace
I want to feel the peace
I want to be the peace
Asleep, asleep, I fall asleep
I'm never waking up
