

# K's Choice, Me Happy

That's a stupid hat you're wearing,  
it doesn't really match your hair.  
Did I ever tell you that your breath is worse  
than what you wear.

That's exactly what she told him,  
at least that's what he told me.  
So I guess we could conclude  
they're not a happy family.

Love's not what you see  
between the legs of the majority.

That's a lovely dress you're wearing,  
too bad your figure can't make it work.  
When I hear the things you say,  
I wonder if your brain can work.

That's exactly what he told her,  
at least that's what she told me.  
I scream my calls, I lock my doors,  
I'm suddenly filled with apathy.

Love's not what you see  
between the legs of the majority.

Although I'd like to add  
the game in bed is a necessity  
to make me happy.

Love's not what you see  
between the legs of the majority.

Although I'd like to add  
the game in bed is a necessity.
