

# K's Choice, Mr. Freeze (Live)

I'm about to tell you about a man I've known  
since I've been able to open up a refrigerator

I am wondering today in the sun on a boat to Dover  
could you freeze me in and defrost me when it's over

Mr. Freeze, I feel your chill  
as I inhale the urge to kill all my emotions  
I ask you please, but all you do is make me sneeze  
Mr. Freeze

I am wondering today in the sun on a boat to Dover  
whose shadow it is that appears as I bend over

it's Mr. Freeze, I hear no sound  
as I focus on the amount of my emotions  
I ask you please, take the lead or let me bleed  
Mr. Freeze

my temperature is really low now; you're here  
but you're not welcome any longer  
I will release, I will release Mr. Freeze

no bangs, no yells, merely the sea  
is Mr. Freeze inside of me...  
(x4)

I am wondering today in the sun on a boat to Dover  
how it comes that I feel so high when I ought to feel lower
