K's Choice, Somewhere

There's something about this day That feels a lot like yesterday Everything looks the same The wall, the tv set The way I move around myself to be

Somewhere over there Where things just seem to grow Where somebody seems to know What they want from me

I never felt like I belonged
To anything or anyone
Still I depend on you
For every single thing
I could be wrong about so much, but

Somewhere over there Where things just seem to grow Where somebody seems to know What they want from me

I'm too young to know I'm young I'm too selfish to be strong Am I too old To allow my adolescence to go on

There's something about this day That's not at all like yesterday I could be

Somewhere over there Where things just seem to grow Where somebody seems to know What they want from me

Somewhere over there Where things just seem to grow Where somebody seems to know What they want from me
