

# K's Choice, Walk Away

I will walk away from you,  
don't stop me,  
I will walk away from you,  
don't blame me.

I have felt the ugly midget knocking on my knee.  
I have seen the ugly midget walking over me.

I will tell you what I've learned.  
Were through as far as I'm concerned.  
Break up and just before we do,  
I will walk away from you.

I will walk away from you,  
stop me.  
I will walk away from you,  
blame me.

I have had enough of you,  
tell me you hate me too.  
Or embrace me and forget  
what I have said to you.

I will tell you what I've learned.  
We're one as far as I'm concerned.  
Make up and just before we do,  
I will be walking back to you.

Walking back to you.
