

Kaamos, Corpus Vermis

Crucifix of man
Silent sterile emblem
Morals of slavery
And your martyrs rejoice
Atonement in holy Ways
Denied for the Path of Sin
Beware to trespass
The servants of the snake
Ascending spiral
The snake of fire
Always moving beyond
Our time and space
At the left hand of god
I'm an enemy of the lamb
My words proclaim heresy
End the body remains
Corpus vermis
Iniquity and madness
The desert's of Gift
Immortal verses
To the fallen
My name is many
For we are many
Oh, apostate ones
Our name is ...
Legion
Corpus Vermis
In the womb of Dur
Mother the dragon
We sow and reap
The rewards of
Godhead
