

# Kaamos, Khem

My mouth -  
Speaks of death and birth  
My word -  
Is for every Aeon  
Infidel -  
No seal shall hold my silence  
No Curse -  
For I am its shadow  
Shrines of Khem  
I am the venom that entice  
I am the venom that Emancipates  
Ia Apep, Ia Typhon  
Amon Apep, Amon Teth  
Ia Apep, Ia Typhon  
Amon Apep, Amon Teth  
I am the venom that entice  
I am the venom that emancipates  
Shrines of Khem
