

# Kabhi Khushi Kabhie Gham, Deewana Hai Dekho

--FEMALE--

Kaun hai yeh? Jisne dubaara mudke mujhe nahin dekha?

Who is he? Oh my gosh!

Deewana hai dekho beqaraar voh

Sambhaalo sambhaalo, na pyaar ho

Hey, deewana hai dekho beqaraar voh

Sambhaalo sambhaalo, na pyaar ho

Apna banaake dekho dil na churaa le voh

Aisa kyon lage hai, bolo na

Jhoom chik chik jhoom, tum bolo hai voh kaun jo

Baar baar yeh dil khota hai dekhke usko

--CHORUS--

Jhoom chik chik jhoom, tum bolo hai voh kaun jo

Baar baar yeh dil khota hai dekhke usko

We're cool like that, we're hip like that

Groove like that, we will like that

Hey we're like that

--FEMALE--

Whatever

(Pehli baar dekha hai aisa

Ajnabi na ajnabi ke jaisa) - 2

Duniya mein doston ki vaise kami nahin hai yaar

Hota hai phir bhi na jaane kyon dil beqaraar

Haai re haai, kya hua na jaane kyon

Dhadke hai dil baar baar

Begaana hai dekho thoda yaar voh

Haan, sambhaalo sambhaalo, na pyaar ho

Apna banaake dekho dil na churaa le voh

Aisa kyon lage hai, bolo na

Jhoom chik chik jhoom, tum bolo hai voh kaun jo

Baar baar yeh dil khota hai dekhke usko

--CHORUS--

Jhoom chik chik jhoom, tum bolo hai voh kaun jo

Baar baar yeh dil khota hai dekhke usko

--FEMALE--

Attitude, huh? What does he think of himself?

Just go tell him who I am

--MALE--

Hmm, aankhon mein doob jaane ko

Hum beqaraar baithe hai

Ek pal mein sab lutaane ko

(Uspe hi yaar baithe hai) - 2

Barson se ek chehara dil mein rehta hai jo yaar

Shaayad kahin usko hai hamaara intezaar

Haai re haai, kya kahe jab dekhe voh

Bharke aankhon mein pyaar

Deewani hai dekho beqaraar voh

Sambhaalo sambhaalo, na pyaar ho

Apna banaake dekho dil na churaa le voh

Aisa kyon lage hai, bolo na

Jhoom chik chik tum kya jaano mere haal ko

Baar baar yeh dil khota hai dekhke usko

--CHORUS--

Jhoom chik chik jhoom, tum bolo hai voh kaun jo

Baar baar yeh dil khota hai dekhke usko

(C'mon c'mon c'mon, come tell us, tell us who you are) - 2

--FEMALE--

Who are you?
