## Kai Tracid, Liquid Skies

Follow me to the planet of liquidskies

Follow me to the planet of liquidskies
The planet of liquidskies

Come closer to the speakers so I can see the light in your eyes
I'm here to invite you on the journey to a planet of love and freedom
So relax your body and open your mind for the melody transmisson
The melody is the only way to our shining planet of liquidskies
Come closer to the speakers so I can see the light in your eyes
Come on dance with me and feel the rythm take over your body
