I know what the boys want, boys want, boys want
I know what the girls like,
Candy Coated Sugar
Sexxxxxxxxxy
I'm feeling so sexy
This beat is so sexy

First Verse

You probably look at me and think that I'm innocent
I've got this feeling and I want to get into it
I know you like my sugar, I like your cinnamon
We can taste each others candy flavors

Go bring your girlfriend, I'll bring my girlfriend
And we can all get dirty and nasty tonight

Repeat Chorus

Second Verse

I want the girls in the back who got it like that to say
I got that good stuff, you want that good stuff
I want the boys in the back who got it like that to say
I got that good stuff, you want that good stuff
I'm feeling sexy, I just want to taste your flavor
In the mood for bad behavior
So I wanna get freaky tonight

Repeat Chorus
