

# Kainos, Hold Me

Sing to me a love song  
That I may know you're near  
Let me hear your sweet voice  
Ringing in my ear

Love me and hold me forever  
And rain down grace and mercy  
And let me praise your name

Lead me to your river  
The one that flows eternally  
Kiss me with your whisper  
As you breathe new life into me

Love me and hold me forever  
And rain down grace and mercy  
And let me praise your name

I lift my hands to you  
And I know that you feel me  
In presence I stand alone  
But I know that you're here with me

I give my heart my soul my life to you  
I give myself surrender all, all to you

Love me and hold me forever  
And rain down grace and mercy  
And let me praise Your name  
Your name
