

# Kainos, When You Come Back Down

I watched your shadow move down the street  
You fade into the night  
Was it wrong for letting you leave  
But would holding you back be right

Is this what you wanted (Is this what you wanted)  
Is this what you need (You need) Yeah

I'll be here when you come back down  
I'll catch you before you hit the ground  
And when your world stops spinning round  
I'll be here  
When you come back down

When you're on the rebound  
You're not lost but not found  
When you cry out in vain  
I will hold you through the pain

It's not what you wanted (It's not what you wanted)  
But it's what you need (You need) Yeah

I'll be here when you come back down  
I'll catch you before you hit the ground  
And when your world stops spinning round  
I'll be here when you come back down  
I'll be here when you come  
Down  
Down  
Down  
Down  
Down
