

Kaiser Chiefs, Little Shocks

I don't want much
I'm happy with what I've got,
On the second floor
I pass a ruffian on the stairs
What the driver saw
I through the letter box of number four,
I don't have much
It will be deafening when I do

And all these little shocks
I'll be riding my imaginary dynamo

I wish I could give you undivided attention
Every minute of the day but I can't
/x2

Bless my heart, and everything will be explained,
In the diaries, especially the latter part.
I'll be a somebody, I found an empty glass today at home,
Give me ability, turn up the pedal away from his hand

And all these little shocks
I'll be riding my imaginary dynamo

I wish I could give you undivided attention
Every minute of the day but I can't
/x2

I wish I could have you just a little bit more
Just a little bit more of your time,
I wish I could give you undivided attention
every minute of the day but I can't

I wish I could give you undivided attention
Every minute of the day but I can't
/x4

And all these little shocks
I'll be riding my imaginary dynamo,

I wish I could give you undivided attention
Every minute of the day but I can't
/x2

I wish I could have you just a little bit more
Just a little bit more of your time,
I wish I could give you undivided attention
every minute of the day but I can't
