

# Kaiser Chiefs, Record Collection

I'm a record collection  
a dedicated section  
I'm a memory of everything  
you've ever seen and ever done

I'm a subtle seduction  
I am out of corruption  
I'm a God enlighten  
clean up  
heightened reenactment of your day

I'm a hidden agenda  
hidden in the credenza  
in the darkest corner of the room  
inside the room  
inside your head  
inside your head  
inside your head  
inside your head

cut back and relapse into the world we built for you  
where everything you need is on its way now  
make yourself at home  
my extraordinary friend  
where everything is ok. in the end

thinking of a number  
whispered in our gun  
cold hidden, passed it hard  
zero, zero, zero, one  
play us one more number  
give us one more song  
tell us one we've heard before  
zero zero, zero, more
