

Kaiser Chiefs, What did I ever give you

Head down, keep your head down
Keep the rent down, over time
Hold tight to your Red Stripe
Why do we fight over time
I wish that you could see me in the day
I hope that you'll remember me that way
Night club, Marlborough Light stub
Stuck to my gob, all the time
I treat you like you're see-through
I don't mean to every-time
What did I ever give you when you wanted me to
All I gave you was pain and a look of disdain
What did I ever give you when you wanted me to
All I gave you was grief are you sick to your teeth
Disgraced back to my place
I'm a complete waste of your time
I'm asleep before the first sheep
Until the last bleep of all time
