

# Kaiser Chiefs, What did I ever give you

Head down, keep your head down  
Keep the rent down, over time  
Hold tight to your Red Stripe  
Why do we fight over time  
I wish that you could see me in the day  
I hope that you'll remember me that way  
Night club, Marlborough Light stub  
Stuck to my gob, all the time  
I treat you like you're see-through  
I don't mean to every-time  
What did I ever give you when you wanted me to  
All I gave you was pain and a look of disdain  
What did I ever give you when you wanted me to  
All I gave you was grief are you sick to your teeth  
Disgraced back to my place  
I'm a complete waste of your time  
I'm asleep before the first sheep  
Until the last bleep of all time
