

# Kaiser Chiefs, You Can Have It All

I'll tell you what it's going to be like  
I saw you on the bus and that was that  
There's more to this than passing by  
There's more to this than meets the eye  
I'll tell you what it's going to be like  
I saw you on the bus, I saw your shoes  
They fell apart some time ago  
I'll buy some more in 5 years

It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing

I'll tell you what its going to feel like  
You lost a limb and you can feel it itch  
You leave, at night, not by my side  
Cause I'm not there to hold you too tightly

Leave, I'll tell you what its going to be like  
No you can never hold my hand  
If only they can know or understand  
That you and me are now together

It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing

Oh oh, you can have it all, if that's alright  
Oh I will give it all to you, cause you'd never fight me for it  
And you can have it all, if that's alright  
And you can have it all, if it's alright, oh oh

La la la...  
(repeat)
