

Kaiser/Mansfield/Howard, Million Dollar Feelin'

I've got a million dollar feelin'
And sometimes I ain't got a dime
(repeat)

I've got the Lord Jesus with me
With me with me all the time

I've got a mansion in glory and that's
Where I'm gonna spend most my time
(repeat)

You talk about real fine gold, well
I'll be walkin' on it all the time

I got a million dollar feelin'
And I ain't got a dime
But I've got the Father, Son, and Holy Ghost with me
Yes, they're with me all the time
