Kaiser/Mansfield/Howard, Stand By Me

When the night has come and the land is dark And the moon is the only light you'll see I won't be afraid, no I won't be afraid Just as long as you stand, stand by me

When the sky we look upon should tumble Tumble and fall And the mountains should rumble to the sea I won't cry No, I won't shed a tear Just as long as you stand Stand by me

Lord Jesus, stand by me You stand by me yes stand now Stand by me You always been my doctor stand by me My lawyer stand by me In times of tribulation stand, yes You stand by me Whenever I'm in trouble You just stand by me Oh Lord, how you stand by me Yes you stand Lord, stand by me
