

# Kaiser/Mansfield/Howard, The Mission

His name is destruction  
Surrounded by a cast of fools  
You may try and beat him  
But in the end you're gonna lose

He's the father of all lies  
He doesn't play by any rules  
And his whole life's mission  
Is givin' you the blues

He's the god of this world  
He really thinks he is the boss  
Some people even worship him  
He was defeated at the cross

He is the great deceiver  
He'll make you play your dues  
'Cause his whole life's mission  
Is givin' you the blues

(bridge)  
He was there at the death camps  
A friend of Hitler in World War II  
Now his death camps are  
Abortion clinics  
He's killin' me, he's killin' you

Don't you wanna be a soldier  
A soldier of the cross  
And with the Sword of the Spirit  
Which is the Word of God

You can break those chains  
Of satan and stop playin' the fool  
And make your whole life's mission  
Givin' him the blues
