

# Kaiser/Mansfield, Long Way From My Home

Tonight I am missin' you  
Oh, tonight I am missin' you  
In the light of day  
I had lost my way  
An' tonight I am missing you  
Never thought I would come this far  
I never thought I would come this far  
I have come through such pain  
in the strenth of your Name  
Never thought I would come this far  
I am a long, long way from my home  
I am a long, long way from my home  
I've been a pilgrim on this earth  
since the day of my birth  
I'm a long way from my home  
Tonight I'm sittin' on this porch in the rain  
Tonight I'm sittin' on this porch in the rain  
But Hallelujah by and by  
I will meet you in the sky  
I'm still a long, long way from home
