

# Kaiser/Mansfield, Shaky Ground

I thought I'd been liv'n in the light of day  
I though I'd been redeemed  
I prayed my preayers but I went my way  
liv'n just like I'd been

(chorus)  
stand'n  
stand'n on shaky ground

He'd gone to the church all of his life  
He'd heard what the preacheer said  
but the life he lived did him no good  
the truth simply filled his head

(chorus)  
repeat 3x

I thought I'd been liv'n in the light of day  
I though I'd been redeemed  
I prayed my preayers but I went my way  
liv'n just like I'd been

(chorus)
