## Kaiser/Mansfield, This Little Light

This little light of mine I'm gonna let it shine Let it shine, let it shine! Early in the mornin' Late in the evenin' In that midnight hour, Lord down in the depths of the city Out in the stately houses All around the countryside In that firey furnace When they call me blessed Jesus be my witness I got the light of Jesus I live in the love of Jesus Glory Hallelujah I'm gonna let it shine Glory Glory Glory! I'm gonna let it shine Let it shine Yes, let it shine!
