## Kaiser/Mansfield, You're Gonna Need Somebody

You're gonna need somebody on your bond, You're gonna need somebody on your bond When it's a way past midnight When death comes slippin' in the room You're gonna need somebody on your bond I heard the voice of Jesus say Come unto Me and rest I found a way for me to lie down Said lain upon His breast When I was a gambler Nobody would go my bond Fell on my knees and began to pray 'Cause Jesus could go my bond I came to Jesus as I was weary, wounded, sad Found in Him a resting place How He made me glad Well, I've got somebody on my bond Lord I've got somebody on my bond
