

Kaitlyn, Friend

I like to be around you when you're not trying to be somebody
and i like to hang with you
and talk about whatever we talk about

don't care where we go, what we do, who you know,
what you wear or if your hair is blue or purple or green

chorus:

you don't have to be cool
don't have to be smart
don't need to know everything all the time
it's alright if your a little bit outta there
i don't care i just wanna be your friend

i like to go to the mall
and walk around with you laughing out loud
and you like to go up to people
and tell your cousin is somebody famous

don't care who we see
what they say
you and me will be ok if we don't get caught by security

chorus

i'll tell you what i don't anyone else
just having you here you know it helps me

chorus

don't have to be tough
don't have to be cute
don't need to know everything all the time
its alright if your a litte bit out there
i just wanna be your friend

i like to be around when you not trying to somebody
